

English Honors Program
Registration Form for ENGL 391, the Honors Thesis

This form is used to register for English 391 (Honors Independent Study) and to approve your thesis proposal. Please bring this form to the faculty member who has agreed to direct your Honors thesis, along with a draft of your proposal. The proposal doesn't lock you into a topic, but gives you and your director an agreed-upon starting point. After incorporating your director's suggestions, submit a typed final version of your proposal (one page) with this signed form to Nancy Rahn in Room 200 EB. (Please include your name, your email, and your director's name on the proposal itself.)

For **Spring 2017** theses, the deadline for proposals and registration forms will be **Monday, November 14th**, 2016. If you need to submit the forms electronically, have your director email Nancy in lieu of signature: nrahn@illinois.edu. If for any reason you cannot meet this deadline, notify Andrea Stevens: arstev@illinois.edu.
